NEERIM DISTRICT LANDCARE GROUP INVITES YOU TO

Annual General Meeting

Guest speaker – Wally Notman

Have you ever wondered about the history of fire in our Neerim district forests ?

Learn more about the issues facing our forests, what makes these places unique and join the conversation @ 5pm with local Wally Notman.

Wally will share his passion for our forests and collaboration with the Gippsland Forest Dialogue, part of a global network of people who care about forests. The GFD was formed in 2022 to connect with people and share knowledge about the challenges facing our beautiful forests. It attracts interest and walkers from recreational groups, forest users, traditional owners, government, businesses and volunteers.

Following the talk, our Neerim District Landcare Group will hold a short AGM @ 6pm.

Whether you're a Landcare member or simply curious about our local forests and its fire history, please come along to what will be an interesting talk @ 5pm.

If members would like to be more involved in Landcare, please consider staying for the AGM, volunteer for a committee role or supporting a sub-committee next year.

DATE: **Friday 27th November 2026**

TIME: **5 pm - Forests talk, tea & coffee provided.**
6 pm - AGM.

VENUE: **Algie Hall, Main Neerim Rd, Neerim South**

Neerim District Landcare Group
